

REMOTE LAB ACCESS

Connect to a computer in Austin Hall to use our academic programs.

1) Open a web browser and navigate to 'cob-remotelab.business.oregonstate.edu'

2) Make sure you log in using your ONID email and password

3) Depending on your classes, select the lab you wish to access. Software can be major specific, but 'Remote Lab' is accessible by all business students

4) Choose your Preferences and enter your ONID Credentials

Access local resources

Allow the remote computer to access the following resources on my computer:

Clipboard Printer

Don't ask me again for connections to this computer

Enter your credentials

Username

Password

5) You are now connected to a virtual desktop

The screenshot shows a Windows virtual desktop environment. The desktop background features the Oregon State University College of Business logo and name. The taskbar includes a Start button, a search bar, and a system tray with a weather widget showing 98°F Sunny. The taskbar icons include Recycle Bin, PuTTY, Adobe Acrobat 2020, SQLStudio, Firefox, Tableau 2023.2, Google Chrome, VLC media player, IBM SPSS Statistics, WinSCP, LINGO 20.0 x64, Microsoft Edge, and Notepad++.

**Oregon State University
College of Business**

Remember to save your work often.
Files saved to the computer are deleted automatically on logoff.
Make Sure to save all files to a cloud service or your ONID drive.

How to sign out in three clicks:

1. Click the Start button.
2. Click the user name (Benny Beaver).
3. Click Sign out.
